Stair Tread

Concrete Stair Tread

Stair treads are supplied in various colors and surface finishes as required by the customer. Stair treads having lengths of 40" or greater receive four (4) lengths of #3 rebar. Treads less than 40" long receive three (3) lengths of #3 rebar. Sizes range in length from 40" to 48" and 11" to 12" wide and all sizes are 2.5" thick.
